

Sponsorship Opportunity

The Castle Girls Lacrosse Association was founded in 2013 to support the young ladies of our community in their lacrosse participation. Since then, our organization has grown to include Castle High School, Castle North/ South Middle schools, and surrounding Warrick County Schools.

Participation in girls' lacrosse is considered a club sport and therefore receives ZERO funds or monetary support from Castle High School, or any other state or government agency. We rely heavily on our community partners to help alleviate the costs of fielding a team. It is only through registration fees, fundraisers, and community sponsorships that we can field teams that support the girls in our community to stay active, practice team work, and learn a competitive, life-enriching sport.

Castle Girls Lacrosse is a 501(c)(3) nonprofit. All sponsorships are tax-deductible. Sponsorships will be used to cover the costs of uniforms, equipment, field rental, referees, travel expenses, general operating costs, and athletic development.
