## STEP THREE GUIDELINES

### FACILITY GUIDELINES

Resume games on a modified basis. Scheduling parameters will be provided to organizers; gaps between games to move crowds in and out of the facility, establish designated warm up areas to maximize social distancing.

Parents and spectators are able to attend on a modified basis. Bleacher seating is open, though social distancing signage is posted in those areas and highly encouraged.

Concessions will be available.

Ensure all cleaning and sanitization requirements are met.

Encourage CDC Safety Protocols. There is signage throughout the park, stickers on the ground, and announcements on the PA system throughout the entire event.

### STAFF GUIDELINES

All staff members are required to wear facial coverings during all shifts.

Gloves are required for concessions staff, and recommended for all other staff members.

Concessions cashiers will work behind a clear barrier to ensure both staff and customer safety.

All staff members will have their temperature taken before the start of each shift.
