The Castle Girls Lacrosse Association was founded in 2013 with the purpose of providing support for the young ladies of our community to participate in the game of lacrosse. As the fastest growing team sport in the country, we are excited for our girls to participate in a sport that fosters teamwork, competition, and commitment while providing a culture that embraces friendship and inclusion.

We compete at the varsity, junior varsity and middle school levels against all teams from the SIAC as well as teams within our region, which extends to Indianapolis and Louisville areas.

As a club sport we receive no financial assistance from the school, district or state. Our organization is completely funded by our parents and donations from our friends and partners in the community. We are looking for community partners who are able to help out financially to cover our expenses such as: equipment, field rental, referees and travel expenses. We are a 501 (c)3, so all donations are tax deductible.

We are exceptionally proud of the young ladies, past and present, that have been a part of our program. Frankly, our program consists of some of the best young ladies our community has to offer. Should you choose to partner with us, we believe you will feel the same way. Thank you for your consideration.

Please expect us to reach out to you to obtain your logo and summary of your business. This will be used for all social media and website activities.
